History Trip

Sunningdalian

VOLUME 001

FRIDAY, 25TH APRIL

St. Georges Knocked for Six

BY ZANDER MOYNES

With some of the team only having had one practice before the match the team started well with Palling opening with a fiery over and proceeded to take four wickets, Brandon Ousey bowled well taking two wickets, Christophe Carrelet took one wicket and Rohan Dhaliwal taking three wickets with his spin bowling. Two of the overall wickets were Catches, taken by Zander Moynes and Harry Spear, and one was a Stumping. St. Georges were all

out for 45, half an hour before tea. Sunningdale went out to Bat in that time scoring the 48 runs for one wicket. The runs were achieved by Palling and Carrelet

alone. With Bannister making a fleeting appearance. The team was well captained by Henry Palling. What a great start for Sunningdale!

Ski trip to La Tania

By PETER HEDLEY

It was great weather during the day a mixture of snowing in the night a sun in the morning. Most people including the ski instructor commented on how much snow there was for that time of year. The day would start off at 9 o'clock when the separate

groups would go off. At 10 o'clock there was lunch at the Mont Blanc which overlooked the mountains giving a spectacular view of the scenery. On the Wednesday the top group went off on a tour of the Trois Valées and across to Val-

torens. I think that the ski trip was a great success and I hope that next year is the same.

Perks won the Dastur cup by under 0.2 of a second to Spencer and Hedley came a close 3rd.

Sunday Go-Karting

By HARRY LOCKE

Last Sunday a group of boys went down to Camberley indoor Go-Kart track with Mr. Clibborn. After a short briefing, 3 teams went out to start their practice laps, after which they did a grid start.

The race was quick, but the race was judged on the safest driver. After five laps of racing from each team, the winners were decided. Jacob Lane was 3rd, William Motion was second and in 1st place was Philip Ga-

jland.

On lap times Darling got 33 seconds, Mr.Clibborn got 34seconds and Gajland got 35.58 seconds. Overall everyone had plenty of fun.

Common Entrance Boys in France

By ZANDER MOYNES adapted from JACOB REZNIKOV

With no delay from the return from the holidays the CE boys set on their way to France with Amy, Mr. Webb and Miss. Cole. I believe that the boys enjoyed themselves, although their was a lot of work to be

done preparing for their French oral. The CE Boys also visited museums and a lot of WW2 battleground, including the Cité de la mer.

Overall the boys learned a lot of precious information needed for the

aural.

Rumble in the Jungle

BY HARRY LOCKE

On Tuesday evening, the school was treated to a lecture on survival by Alex McBarnet a student of the famous Ray Mears.

Inspired by a childhood of building dens and bases at his prep school, Alex went on to become a survival expert.

He showed us slides on his trekking through the

jungle, savannah and polar regions, how to use the essential tools and all the animals we should avoid.

Later on this term a group of boys will go out with him to learn the basics of survival which should be excellent fun.

Overall the lecture was extremely interesting and taught us a lot about the arts of surviving in the wild.

All eyes on Sunningdale

Sunningdale Conquers Hastings

By ANDREA MARTINEZ

In this wonderful trip, the senior pupils of forms VA and VI were transported back to 1066 to the famous battle of Hastings and to the Roman Pevensey Castle built in A.D. 293.

The fantastic help of the most amazing classics and history teachers, Mr. B. Clibborn and Mr. B. Howroyd, have superbly shown us the medieval and roman realms of these stunning monuments. Pevensey castle was a great site to see

how castles were in the past, and the battle of Hastings site sent chills down your spine to think that there was a battle here over 900 years ago.

Overall the trip was a very enjoyable experience and I'm sure all the boys enjoyed it.
